# HAMDARD IN THE SERVICE OF HUMANITY

1906

Hamdard was set up as a modest clinic to provide access to the common man of unique formulations & medications that were hitherto available exclusively to royals & well-off people.

1931-32

Hamdard-e-Sehat journal- To disseminate information on various health issues & spread awareness about health & well-being amongst the masses.

1962

Institute of History of Medicine and Medical Research (IHMMR)-To promote research using modern equipment & technology.

1953

All-India Unani Tibbi Conference- To upgrade the knowledge of Unani practitioners & the medical fraternity.

1962

Hamdard National Foundation, India-A unique CSR initiative through which a major part of Hamdard's profit is ploughed back to societal benefit in the field of health & education.

1965-95

Hakeem Abdul Hameed Sahab-Padma Shree (1965), Avicenna Award, Russia (1983), National Citizen's Award (1990), Padma Bhushan (1992), Special Doctrate degree awarded 'World's best Hakeem', by Iran to Hakeem Sahab (1995).

1981

Hamdard Education Society - To help underprivileged sections of society by offering the best counselling & residential coaching for competitive exams. Hundreds of aspirants were benefitted and made it to the most coveted Indian Civil & Allied Services (IAS, IFS & IPS etc.).

1982-84

Majeedia Hospital-To offer free OPD & IPD care based on Unani.

2014

Hamdard has one of the largest Unani GMP certified and ISO 22000-2005 and HACCP certified facilities.

2016

Hamdard Wellness Centres were inaugurated across India to promote Unani System of Medicine.

Hamdard Laboratories - Medicine Division (India):  
Hamdard Building, 2A/3, Asaf Ali Road, New Delhi-110002, Ph: 011-23239801
